Membership Renewal Questions & Answers August 2024

Is The Club increasing the annual dues for the 2024-2025 season?

Yes, annual dues will be increasing this coming season. Please note that each year The Club carefully reviews a number of factors when determining the annual dues to be paid by its members. For example, one aspect we review is the dues charged by other comparable area clubs in South Florida to assess pricing in comparison to the amenities offered and enhancements The Club is making. While dues are subject to increase annually, we remain committed to offering you strong value and will always strive to maintain our dues at reasonable levels while also providing more extensive amenities for you to enjoy.

What is new that I can expect to see at The Club this season?

Continued enhancements are planned for the coming months. This coming year, we will:

- Introduce the reimagined Beach Club, a \$100+ million investment revealing a coastal destination that will seamlessly connect redesigned interior spaces with the outdoors in a modern way, with tailored experiences and eclectic flavors. For a more detailed overview, please refer to pages 10-13 in the Membership Renewal Guide.
- Roll out a new membership dining discount that increases from 15% to 20% across dining outlets.
- Introduce Monkey Bar, a new bar and lounge exclusive to members and member-guests, showcasing a luxury South Pacific ambience, creative bites, and retro cocktails with a flavorful twist. Menus are specially priced for members.
- Elevate our private poolside cabana offerings with new party packages that match any occasion, from watching the big game to intimate birthday celebrations.
- Enhance children's programming with an expert team of youth program creators.
- Open Valencia Theater, a space dedicated to arts and cultural programming with a lineup of movie viewings and conversations with thought leaders.
- Launch partnerships with luxury and lifestyle brands, including Collective Napa Valley for the first-ever Artisans of Wine & Food™ event.
- Provide you with even more member access and tickets to exclusive events.
- Continue to elevate Racquet Club offerings, including new hard-court pickleball courts and a courtside bar to play with family, fellow members and your guests.

Do I receive a discount on dues if I pay annually instead of monthly?

Yes, dues paid on an annual basis will receive a 10% discount.

Will my annual dues continue increasing each year?

The Club carefully reviews a number of factors when determining the annual dues to be paid by its members. For example, one aspect we review is the dues charged by other comparable area clubs in South Florida to assess pricing in comparison to the amenities offered.
